## **ARTICLE ONE: ACCEPTANCE OF AGREEMENT AND PURCHASE OF GIM TOKENS**

**1.1.** This Agreement shall be effective and binding on the Parties when Buyer: (a) clicks the check box on the official <https://gimli.io> website (the "Website") to indicate that Buyer has read, understands and agrees to the terms of this Agreement; or, if earlier (b) upon Company's receipt of payment from Buyer. Buyer agrees to be bound on this basis, and confirms that Buyer has read in full and understands this Agreement and the terms on which Buyer is bound.

**1.2. Website Terms of Use.** Company has established Terms of Use, as may be amended from time to time, for the Website located at <http://gimli.io/terms-of-use/>, which are hereby incorporated by reference. Buyer has read, understands and agrees to those terms.

**1.3. White Paper.** Company has prepared the White Paper, which is available at <http://gimli.io/wp-content/uploads/2017/07/Gimli-white-paper.pdf>, describing matters relating to the GIMLI.IO Software. The White Paper, as it may be amended from time to time, is hereby incorporated by reference. Buyer has read and understands the White Paper and its contents.

**1.4. GIM Tokens.**

**a. No Rights.** Ownership of GIM Tokens carries no rights other than the right to exchange and claim over the Gimli Platform. GIM Tokens do not represent or confer any ownership right or stake, share or security or equivalent rights, intellectual property rights or any other form of participation relating to the Gimli Platform. Although GIM Tokens may be tradable, they are not an investment, currency, security, commodity, a swap on a currency, security or commodity or any other kind of financial instrument.

**b. Company's Use of Proceeds.** Buyer acknowledges and understands that the proceeds from the sale of the GIM Tokens will be utilized by Company in its sole discretion.

## **ARTICLE TWO: GIM TOKEN DISTRIBUTION**

**2.1. Allocation and Distribution of GIM Tokens.** Gimli intends to allocate and distribute GIM Tokens (the "GIM Token Crowdsale") in accordance with the material specifications as set forth in Exhibit A to this Agreement which includes details regarding the timing (the "GIM Distribution Period") and pricing of the GIM Token Crowdsale and the amount of GIM Tokens that will be distributed. During the GIM Distribution Period, Gimli will provide specific procedures on how Buyer should purchase GIM Tokens through the GIM Crowdsale Contract. By purchasing GIM Tokens, Buyer acknowledges and understands and has no objection to such procedures and material specifications. Failure to use the GIM Crowdsale Contract and follow such procedures may result in Buyer not receiving any GIM Tokens. Any buyer of GIM Tokens may lose some or all of the amounts paid in exchange for GIM Tokens, regardless of the purchase date.

**2.2. No U.S. Buyers.** The GIM Tokens are not being offered to U.S. persons. U.S. persons are strictly prohibited and restricted from using the GIM Crowdsale Contract and Company is not soliciting purchases by U.S. persons in any way. If a U.S. person uses the GIM Crowdsale Contract, such person has done so and entered into this Agreement on an unlawful, unauthorized and fraudulent basis and this Agreement is null and void. Company is not bound by this Agreement if this Agreement has been entered into by a U.S. person as Buyer or Buyer has entered into this Agreement or has purchased GIM Tokens on behalf of a U.S. person, and Company may take all necessary and appropriate actions, in its sole discretion, to invalidate this Agreement, including referral of information to the appropriate authorities. Any U.S. person who uses the GIM Crowdsale Contract or enters this Agreement on an unlawful, unauthorized or fraudulent basis shall be solely liable for, and shall indemnify, defend and hold harmless Gimli and Gimli's respective past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns (collectively, the "Gimli Parties") from any damages, losses, liabilities, costs or expenses of any kind, whether direct or indirect, consequential, compensatory, incidental, actual, exemplary, punitive or special and including, without limitation, any loss of business, revenues, profits, data, use, goodwill or other

intangible losses (collectively, the “Damages”) incurred by a Gimli Party that arises from or is a result of such U.S. person’s unlawful, unauthorized or fraudulent use of the GIM Crowdsale Contract.

**2.3. Allocation and Sale of GIM Tokens to Gimli Parties.** Buyer understands and consents to the participation of the Company’s past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors and service providers in the purchase of GIM Tokens, including people who may work on the development and implementation of the GIMLI.IO Software or who may work for Gimli’s future businesses which Gimli may establish with a portion of the proceeds from the GIM Token Crowdsale. All such Gimli Parties will participate on the same terms as every other buyer of GIM Tokens and will be bound by this Agreement.

**2.4. No Representations and Warranties.** The GIM Tokens will be distributed to buyers thereof pursuant to the GIM Crowdsale Contract. None of the Gimli Parties makes any representations or warranties, express or implied, including, without limitation, any warranties of title or implied warranties of merchantability or fitness for a particular purpose with respect to the GIM Crowdsale Contract, the GIM Token Contract or the GIM Tokens or their utility, or the ability of anyone to purchase or use the GIM Tokens. Without limiting the foregoing, none of the Gimli Parties represent or warrant that the process of purchasing the GIM Tokens or receiving the GIM Tokens will be uninterrupted or error-free or that the GIM Tokens are reliable and error-free. As a result, Buyer acknowledges and understands that Buyer may never receive GIM Tokens and may lose the entire amount Buyer paid to Company. Buyer shall provide an accurate digital wallet address to Company for receipt of any GIM Tokens distributed to Buyer pursuant to the GIM Crowdsale Contract and the GIM Token Contract.

**2.5. Not an Offering of Securities, Commodities, or Swaps.** The sale of GIM Tokens and the GIM Tokens themselves are not securities, commodities, swaps on either securities or commodities or a financial instrument of any kind. Purchases and sales of GIM Tokens are not subject to the protections of any laws governing those types of financial instruments. This Agreement and all other documents referred to in this Agreement including the White Paper do not constitute a prospectus or offering document, and are not an offer to sell, nor the solicitation of an offer to buy an investment, a security, commodity, or a swap on either a security or commodity.

**2.6. Not an Investment.** Buyer should not participate in the GIM Token Crowdsale or purchase GIM Tokens for investment purposes. GIM Tokens are not designed for investment purposes and should not be considered as a type of investment. Buyer acknowledges, understands and agrees that Buyer should not expect and there is no guarantee or representation or warranty by Company that: (a) the GIMLI.IO Software will ever be adopted; (b) the GIMLI.IO Software will be adopted as developed by Gimli and not in a different or modified form; (c) a blockchain utilizing or adopting the GIMLI.IO Software will ever be launched; and (d) a blockchain will ever be launched with or without changes to the GIMLI.IO Software. Furthermore, holding GIM Tokens is not a guarantee, representation or warranty that the holder will be able to use the Gimli Platform, or receive any tokens utilized on the Gimli Platform, even if the Gimli Platform is launched and the GIMLI.IO Software is adopted, of which there is no guarantee, representation or warranty made by Company.

**2.7. Not for Speculation.** Buyer acknowledges and agrees that Buyer is not purchasing GIM Tokens for purposes of investment, speculation, as some type of arbitrage strategy, for immediate resale or other financial purposes.

## **ARTICLE THREE:**

## **NO OTHER RIGHTS CREATED**

**3.1. No Claim, Loan or Ownership Interest.** The purchase of GIM Tokens: (a) does not provide Buyer with rights of any form with respect to the Company or its revenues or assets, including, but not limited to, any voting, distribution, redemption, liquidation, proprietary (including all forms of intellectual property), or other financial or legal rights; (b) is not a loan to Company; and (c) does not provide Buyer with any ownership or other interest in Company.

**3.2. Intellectual Property.** Company retains all right, title and interest in all of Company's intellectual property, including, without limitation, inventions, ideas, concepts, code, discoveries, processes, marks, methods, software, compositions, formulae, techniques, information and data, whether or not patentable, copyrightable or protectable in trademark, and any trademarks, copyright or patents based thereon. Buyer may not use any of Company's intellectual property for any reason without Company's prior written consent.

## **ARTICLE FOUR: SECURITY AND DATA; TAXES**

### **4.1. Security and Data Privacy.**

**a. Buyer's Security.** Buyer will implement reasonable and appropriate measures designed to secure access to: (i) any device associated with Buyer and utilized in connection with Buyer's purchase of GIM Tokens; (ii) private keys to Buyer's wallet or account; and (iii) any other username, passwords or other login or identifying credentials. In the event that Buyer is no longer in possession of Buyer's private keys or any device associated with Buyer's account or is not able to provide Buyer's login or identifying credentials, Buyer may lose all of Buyer's GIM Tokens and/or access to Buyer's account. Company is under no obligation to recover any GIM Tokens and Buyer acknowledges, understands and agrees that all purchases of GIM Tokens are non-refundable and Buyer will not receive money or other compensation for any GIM Tokens purchased.

**b. Additional Information.** Upon Company's request, Buyer will immediately provide to Company information and documents that Company, in its sole discretion, deems necessary or appropriate to comply with any laws, regulations, rules or agreements, including without limitation judicial process. Such documents include, but are not limited to, passport, driver's license, utility bills, photographs of associated individuals, government identification cards, or sworn statements. Buyer consents to Company disclosing such information and documents in order to comply with applicable laws, regulations, rules or agreements. Buyer acknowledges that Company may refuse to distribute GIM Tokens to Buyer until such requested information is provided.

### **4.2. Taxes.**

Buyer acknowledges, understands and agrees that: (a) the purchase and receipt of GIM Tokens may have tax consequences for Buyer; (b) Buyer is solely responsible for Buyer's compliance with Buyer's tax obligations; and (c) Company bears no liability or responsibility with respect to any tax consequences to Buyer.

## **ARTICLE FIVE: REPRESENTATIONS AND WARRANTIES OF BUYER**

By buying GIM Tokens, Buyer represents and warrants to each of the Gimli Parties that:

**5.1. Not a US Person:** Buyer is not a U.S. person.

**5.2. Authority.** Buyer has all requisite power and authority to execute and deliver this Agreement, to use the GIM Crowdsale Contract and the GIM Token Contract, purchase GIM Tokens, and to carry out and perform its obligations under this Agreement.

**a.** If an individual, Buyer is at least 18 years old and of sufficient legal age and capacity to purchase GIM Tokens.

**b.** If a legal person, Buyer is duly organized, validly existing and in good standing under the laws of its domiciliary jurisdiction and each jurisdiction where it conducts business.

**5.3. No Conflict.** The execution, delivery and performance of this Agreement will not result in any violation of, be in conflict with, or constitute a material default under, with or without the passage of time or the giving of notice: (a) any provision of Buyer's organizational documents, if applicable; (b) any provision of any judgment, decree or order to which Buyer is a party, by which it is bound, or to which any of its material assets are subject; (c) any material agreement, obligation, duty or commitment to which Buyer is a party or by which it is bound; or (d) any laws, regulations or rules applicable to Buyer.

**5.4. No Consents or Approvals.** The execution and delivery of, and performance under, this Agreement require no approval or other action from any governmental authority or person other than Buyer.

**5.5. Buyer Status.** Buyer is not subject to any of the disqualifying events listed in Rule 506(d)(1) of Regulation D under the Securities Act of 1933 (a "Buyer Event"), and there is no proceeding or investigation pending or, to the knowledge of Buyer, threatened by any governmental authority, that would reasonably be expected to become the basis for a Buyer Event.

**5.6. Buyer Knowledge and Risks of Project.** Buyer has sufficient knowledge and experience in business and financial matters, including a sufficient understanding of blockchain or cryptographic tokens and other digital assets, smart contracts, storage mechanisms (such as digital or token wallets), blockchain-based software systems and blockchain technology, to be able to evaluate the risks and merits of Buyer's purchase of GIM Tokens, including but not limited, to the matters set forth in this Agreement, and is able to bear the risks thereof, including loss of all amounts paid, loss of GIM Tokens, and liability to the Gimli Parties and others for its acts and omissions, including with limitation those constituting breach of this Agreement, negligence, fraud or willful misconduct. Buyer has obtained sufficient information in order to make an informed decision to purchase GIM Tokens.

**5.7. Funds; Payments.**

**a. Funds.** The funds, including any fiat, virtual currency or cryptocurrency, Buyer uses to purchase GIM Tokens are not derived from or related to any unlawful activities, including but not limited to money laundering or terrorist financing, and Buyer will not use the GIM Tokens to finance, engage in, or otherwise support any unlawful activities.

**b. Payments.** All payments by Buyer under this Agreement will be made only in Buyer's name, from a digital wallet or bank account not located in a country or territory that has been designated as a "non-cooperative country or territory" by the Financial Action Task Force, and is not a

“foreign shell bank” within the meaning of the U.S. Bank Secrecy Act (31 U.S.C. § 5311 *et seq.*), as amended, and the regulations promulgated thereunder by the Financial Crimes Enforcement Network, as such regulations may be amended from time to time.

#### **5.8. Miscellaneous Regulatory Compliance.**

**a. Anti-Money Laundering; Counter-Terrorism Financing.** To the extent required by applicable law, Buyer complies with all anti-money laundering and counter-terrorism financing requirements.

**b. Sanctions Compliance.** Neither Buyer, nor any person having a direct or indirect beneficial interest in Buyer or GIM Tokens being acquired by Buyer, or any person for whom Buyer is acting as agent or nominee in connection with GIM Tokens, is the subject of sanctions administered or enforced by any country or government (collectively, “Sanctions”) or is organized or resident in a country or territory that is the subject of country-wide or territory-wide Sanctions.

### **ARTICLE SIX: DISCLAIMERS**

**6.1.** Buyer expressly acknowledges, understands and agrees that Buyer is using the GIM Crowdsale Contract, the GIM Token Contract and purchasing GIM Tokens at the Buyer’s sole risk and that the GIM Crowdsale Contract, the GIM Token Contract and GIM Tokens are each provided, used and acquired on an “AS IS” and on an “AS AVAILABLE” basis without representations, warranties, promises or guarantees whatsoever of any kind by Company and Buyer shall rely on its own examination and investigation thereof.

**6.2. No Representation or Warranty.** (A) COMPANY DOES NOT MAKE AND EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED OR STATUTORY; AND (B) WITH RESPECT TO THE GIM DISTRIBUTION CONTRACT, THE GIM TOKEN CONTRACT AND THE GIM TOKENS, COMPANY SPECIFICALLY DOES NOT REPRESENT AND WARRANT AND EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATIONS OR WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, OR AS TO THE WORKMANSHIP OR TECHNICAL CODING THEREOF, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT.

### **ARTICLE SEVEN: RISKS**

GIM TOKENS MAY HAVE NO VALUE. BUYER MAY LOSE ALL AMOUNTS PAID. Buyer has carefully reviewed, acknowledges, understands and assumes the following risks, as well as all other risks associated with the GIM Tokens (including those not discussed herein), all of which could render the GIM Tokens worthless or of little value:

**7.1. No Rights.** Ownership of GIM Tokens carries no rights other than the right to exchange and claim over the Gimli Platform. GIM Tokens do not represent or confer any ownership right or stake, share or security or equivalent rights, intellectual property rights or any other form of participation relating to the Gimli Platform.

**7.2. Blockchain Delay Risk.** On the Ethereum blockchain, timing of block production is determined by proof of work so block production can occur at random times. Buyer acknowledges and

understands that the Ethereum blockchain may not include the Buyer's transaction at the time Buyer expects and Buyer may not receive GIM Tokens at the time Buyer sends ETH.

**7.3. Ethereum Blockchain.** The Ethereum blockchain is prone to periodic congestion during which transactions can be delayed or lost. Individuals may also intentionally spam the Ethereum network in an attempt to gain an advantage in purchasing cryptographic tokens. Buyer acknowledges and understands that Ethereum block producers may not include Buyer's transaction when Buyer wants or Buyer's transaction may not be included at all.

**7.4. Ability to Transact or Resell.** Buyer may be unable to sell or otherwise transact in GIM Tokens at any time, or for the price Buyer paid. By using the GIM Crowdsale Contract or the GIM Token Contract or by purchasing GIM Tokens, Buyer acknowledges, understands and agrees that: (a) GIM Tokens may have no value; (b) there is no guarantee or representation of liquidity for the GIM Tokens; and (c) the Gimli Parties are not and shall not be responsible for or liable for the market value of GIM Tokens, the transferability and/or liquidity of GIM Tokens and/or the availability of any market for GIM Tokens through third parties or otherwise.

**7.5. Token Security.** GIM Tokens may be subject to expropriation and or/theft. Hackers or other malicious groups or organizations may attempt to interfere with the GIM Crowdsale Contract, the GIM Token Contract or the GIM Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Ethereum platform rests on open source software and GIM Tokens are based on open source software, there is the risk that Ethereum smart contracts may contain intentional or unintentional bugs or weaknesses which may negatively affect the GIM Tokens or result in the loss of Buyer's GIM Tokens, the loss of Buyer's ability to access or control Buyer's GIM Tokens or the loss of ETH in Buyer's account. In the event of such a software bug or weakness, there may be no remedy and holders of GIM Tokens are not guaranteed any remedy, refund or compensation.

**7.6. Access to Private Keys.** GIM Tokens purchased by Buyer may be held by Buyer in Buyer's digital wallet or vault, which requires a private key, or a combination of private keys, for access. Accordingly, loss of requisite private key(s) associated with Buyer's digital wallet or vault storing GIM Tokens will result in loss of such GIM Tokens, access to Buyer's GIM Token balance and/or any initial balances in blockchains created by third parties. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet or vault service Buyer uses, may be able to misappropriate Buyer's GIM Tokens. Company is not responsible for any such losses.

**7.7. New Technology.** The GIMLI.IO Software and the Gimli Platform and all of the matters set forth in the White Paper are new and untested. The GIMLI.IO Software might not be capable of completion, implementation or adoption. It is possible that no blockchain utilizing the GIMLI.IO Software will be ever be launched and there may never be an operational Gimli Platform. Buyer should not rely on the GIMLI.IO Software or the ability to receive tokens associated with the Gimli Platform in the future. Even if the GIMLI.IO Software is completed, implemented and adopted, it might not function as intended, and any tokens associated with a blockchain adopting the GIMLI.IO Software may not have functionality that is desirable or valuable. Also, technology is changing rapidly, so the GIM Tokens and any tokens transferable on the Gimli Platform may become outdated.

**7.8. Reliance on Third-Parties.** Even if completed, the GIMLI.IO Software will rely, in whole or partly, on third parties to adopt and implement it and to continue to develop, supply, and

otherwise support it. There is no assurance or guarantee that those third parties will complete their work, properly carry out their obligations, or otherwise meet anyone's needs, all of which might have a material adverse effect on the GIMLI.IO Software and Gimli Platform.

**7.9. Failure to Map a Public Key to Buyer's Account.** Failure of Buyer to map a public key to Buyer's account may result in third parties being unable to recognize Buyer's GIM Token balance on the Ethereum blockchain when and if they configure the initial balances of a new blockchain based upon the GIMLI.IO Software of which Company makes no representation or guarantee.

**7.10. Exchange & Counterparty Risks.** If Buyer sends ETH to the GIM Token Contract from an exchange or an account that Buyer does not control, pursuant to the GIM Token Contract, GIM Tokens will be allocated to the account that has sent ETH; therefore, Buyer may never receive or be able to recover Buyer's GIM Tokens. Furthermore, if Buyer chooses to maintain or hold GIM Tokens through a cryptocurrency exchange or other third party, Buyer's GIM Tokens may be stolen or lost. In addition, third parties may not recognize Buyer's claim to any derivative tokens if and when launched by third parties according to the distribution rules set in the GIMLI.IO Software. By using the GIM Crowdsale Contract, using the GIM Token Contract and/or by purchasing GIM Tokens, Buyer acknowledges and agrees that Buyer sends ETH to the GIM Token Contract through an exchange account and/or holds GIM Tokens on a cryptocurrency exchange or with another third party at Buyer's own and sole risk.

**7.11. Changes to the GIMLI.IO Software.** The GIMLI.IO Software is still under development and may undergo significant changes over time. Although Company intends for the GIMLI.IO Software to have the features and specifications set forth in the White Paper, Company may make changes to such features and specifications for any number of reasons, and any party that adopts the GIMLI.IO Software and launches the Gimli Platform also may make changes, any of which may mean that the Gimli Platform does not meet Buyer's expectations.

**7.12. Risk of Alternative Blockchains based on GIMLI.IO Software.** The GIMLI.IO Software will not likely be licensed under an open source license until after the end of the GIM Distribution Period; however, it is possible somebody will not respect the GIMLI.IO Software copyright or will modify the GIMLI.IO Software after it has been released under an open source license. Therefore, it is possible for someone to utilize the GIMLI.IO Software to build and launch blockchain protocols using a token distribution other than the one intended for the GIM Tokens pursuant to the GIMLI.IO Software both prior to or after the GIMLI.IO Software has become licensed as open source.

**7.13. Project Completion.** The development of the GIMLI.IO Software may be abandoned for a number of reasons, including, but not limited to, lack of interest from the public, lack of funding, lack of commercial success or prospects, or departure of key personnel.

**7.14. Lack of Interest.** Even if the GIMLI.IO Software is finished and adopted and the Gimli Platform is launched, the ongoing success of the Gimli Platform relies on the interest and participation of third parties. There can be no assurance or guarantee that there will be sufficient interest or participation in the Gimli Platform.

**7.15. Uncertain Regulatory Framework.** The regulatory status of cryptographic tokens, digital assets and blockchain technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether governmental authorities will regulate such technologies. It is likewise difficult to predict how or whether any governmental authority may make changes to existing laws, regulations and/or rules that will affect cryptographic tokens, digital assets, blockchain technology

and its applications. Such changes could negatively impact GIM Tokens in various ways, including, for example, through a determination that GIM Tokens are regulated financial instruments that require registration. Company may cease the distribution of GIM Tokens, the development of the GIMLI.IO Software or cease operations in a jurisdiction in the event that governmental actions make it unlawful or commercially undesirable to continue to do so.

**7.19. Risk of Government Action.** As noted above, the industry in which Company operates is new, and may be subject to heightened oversight and scrutiny, including investigations or enforcement actions. There can be no assurance that governmental authorities will not examine the operations of Company and/or pursue enforcement actions against Company. Such governmental activities may or may not be the result of targeting Company in particular. All of this may subject Company to judgments, settlements, fines or penalties, or cause Company to restructure its operations and activities or to cease offering certain products or services, all of which could harm Company's reputation or lead to higher operational costs, which may in turn have a material adverse effect on the GIM Tokens and/or the development of the GIMLI.IO Software.

## **ARTICLE EIGHT: LIMITATION OF LIABILITY; INDEMNIFICATION**

**8.1. Limitation of Liability.** To the fullest extent permitted by applicable law, Buyer disclaims any right or cause of action against the Gimli Parties of any kind in any jurisdiction that would give rise to any Damages whatsoever, on the part of any Gimli Party. Each of the Gimli Parties shall not be liable to Buyer for any type of Damages, even if and notwithstanding the extent a Gimli Party has been advised of the possibility of such Damages. Buyer agrees not to seek any refund, compensation or reimbursement from a Gimli Party, regardless of the reason, and regardless of whether the reason is identified in this Agreement.

**8.2. Damages.** In no circumstances will the aggregate joint liability of the Gimli Parties, whether in contract, warrant, tort or other theory, for Damages to Buyer under this Agreement exceed the amount received by Company from Buyer.

**8.3. Force Majeure.** Buyer understands and agrees that Company shall not be liable and disclaims all liability to Buyer in connection with any force majeure event, including acts of God, labour disputes or other industrial disturbances, electrical, telecommunications, hardware, software or other utility failures, software or smart contract bugs or weaknesses, earthquakes, storms, or other nature-related events, blockages, embargoes, riots, acts or orders of government, acts of terrorism or war, technological change, changes in interest rates or other monetary conditions, and, for the avoidance of doubt, changes to any blockchain-related protocol.

**8.4. Release.** To the fullest extent permitted by applicable law, Buyer releases the Gimli Parties from responsibility, liability, claims, demands, and/or Damages (actual and consequential) of every kind and nature, known and unknown (including, but not limited to, claims of negligence), arising out of or related to disputes between Buyer and the acts or omissions of third parties.

**8.5. Indemnification.**

**a.** To the fullest extent permitted by applicable law, Buyer will indemnify, defend and hold harmless and reimburse the Gimli Parties from and against any and all actions, proceedings, claims, Damages, demands and actions (including without limitation fees and expenses of counsel), incurred by a Gimli Party arising from or relating to: (i) Buyer's purchase or use of GIM

Tokens; (ii) Buyer's responsibilities or obligations under this Agreement; (iii) Buyer's breach of or violation of this Agreement; (iv) any inaccuracy in any representation or warranty of Buyer; (v) Buyer's violation of any rights of any other person or entity; and/or (vi) any act or omission of Buyer that is negligent, unlawful or constitutes willful misconduct.

**b.** Company reserves the right to exercise sole control over the defense, at Buyer's expense, of any claim subject to indemnification under this Section 8.5. This indemnity is in addition to, and not in lieu of, any other indemnities set forth in a written agreement between Buyer and Company.

## **ARTICLE NINE: DISPUTE RESOLUTION**

**9.1.** Informal Dispute Resolution. Buyer and Company shall cooperate in good faith to resolve any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including with respect to the formation, applicability, breach, termination, validity or enforceability thereof (a "Dispute"). If the Parties are unable to resolve a Dispute within ninety (90) days of notice of such Dispute being received by all Parties, such Dispute shall be finally settled by Binding Arbitration as defined in Section 9.2 below.

**9.2.** Binding Arbitration. Any Dispute not resolved within 90 days as set forth in Section 9.1 shall be referred to and finally resolved by arbitration under Malta rules in effect at the time of the arbitration, except as they may be modified herein or by mutual agreement of the Parties. The number of arbitrators shall be one who shall be selected by Company. The seat, or legal place, of arbitration shall be Malta. The language to be used in the arbitral proceedings shall be English. The governing law of the Agreement shall be as set forth in Section 10.1 herein. The arbitration award shall be final and binding on the Parties ("Binding Arbitration"). The Parties undertake to carry out any award without delay and waive their right to any form of recourse insofar as such waiver can validly be made. Judgment upon the award may be entered by any court having jurisdiction thereof or having jurisdiction over the relevant Party or its assets. Company and Buyer will each pay their respective attorneys' fees and expenses. Notwithstanding the foregoing, Company reserves the right, in its sole and exclusive discretion, to assume responsibility for any or all of the costs of the arbitration.

**9.3.** No Class Arbitrations, Class Actions or Representative Actions. Any dispute arising out of or related to this Agreement is personal to Buyer and Company and will not be brought as a class arbitration, class action or any other type of representative proceeding. There will be no class arbitration or arbitration in which an individual attempts to resolve a dispute as a representative of another individual or group of individuals. Further, a dispute cannot be brought as a class or other type of representative action, whether within or outside of arbitration, or on behalf of any other individual or group of individuals.

## **ARTICLE TEN: MISCELLANEOUS**

**10.1.** Governing Law and Venue. This Agreement shall be governed in all respects, including as to validity, interpretation and effect, by the laws of Malta, without giving effect to its principles or rules of conflict of laws, to the extent such principles or rules are not mandatorily applicable by statute and would permit or require the application of the laws of another jurisdiction.

**10.2.** Assignment. Buyer shall not assign this Agreement without the prior written consent of Gimli. Any assignment or transfer in violation of this Section 10.2 will be void. Company may assign this Agreement to an affiliate.
